

CDC reopening plans and safety protocols

Social Distancing Guidelines:

- Parents will not be allowed in hallways or classrooms.
- One student teacher will be permitted per classroom and they will follow all faculty and staff health and safety protocols.
- Family social gatherings and school-wide meetings are on hold until further notice.
- Weather-permitting, the faculty and staff are planning for children in all classrooms to spend additional time outdoors and outdoor equipment will be sanitized between each class visit.

Mask Guidelines:

- Children will not be required to wear masks, but all adults will.
- Teachers will help children keep their face clean throughout the day.
- Per recommendation of the Centers for Disease Control, children in the toddler classrooms will not wear masks.
- Parents may send preschool and kindergarten-age children with a mask on and employees at the CDC will try to keep the mask on.
- Children will not be allowed to wear masks when running or playing outside or during nap time.
